

GACM TECHNOLOGIES LIMITED

PUBLIC NOTICE / CLARIFICATION REGARDING UNAUTHORISED CIRCULATION OF INFORMATION ON SOCIAL MEDIA PLATFORMS

Date: August 10, 2026

The Company has become aware of certain messages and information purportedly relating to the Company being circulated through various social media platforms, particularly Telegram, on August 06, 2026 and subsequently on August 07, 2026 and August 10, 2026.

The Company understands that such messages have been circulated through, inter alia, the following Telegram channels:

1. Chase Alpha
2. Share Bajar News Live 2.0
3. The Stock Market Live

The aforesaid communications contain various statements, claims and information relating to the Company's financial performance, order book, orders/contracts, proposed fund raising, shareholding and other business activities of the Company, including statements in the nature of stock-related information/recommendations.

Clarification by the Company

The Company hereby categorically clarifies that the aforesaid messages, communications, stock-related information and/or recommendations have neither been issued nor authorised by the Company.

The Company further clarifies that the Company, its Promoter(s), Promoter Group, Directors and Key Managerial Personnel are not involved, directly or indirectly, in the creation, preparation, circulation, dissemination or publication of any such unauthorised messages, stock tips, recommendations or other information being circulated through the aforesaid Telegram channels or any other social media platform.

The Company has always maintained the highest standards of transparency, corporate governance and regulatory compliance and has consistently disclosed material information concerning the Company to the Stock Exchanges in accordance with the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable laws, rules and regulations.

Investors and shareholders are therefore advised to rely only upon information and disclosures officially disseminated by the Company through the Stock Exchanges and/or through the Company's official website, and to exercise appropriate caution in respect of any information, claims, stock tips or investment recommendations circulated through unauthorised social media channels or other sources.

Action taken by the Company

Upon becoming aware of the aforesaid circulation, the Company has initiated appropriate steps to safeguard the interests of its shareholders and investors and to ascertain the source and persons responsible for dissemination of such information.

In this regard, the Company has lodged a complaint with the Cyber Crime authorities through the National Cyber Crime Reporting Portal (cybercrime.gov.in) in relation to the unauthorised circulation of such messages and information.

GACM TECHNOLOGIES LIMITED

The grievance/complaint has been successfully registered and bears **Acknowledgement No. 23708260055479**.

The Company is also preserving the relevant information and evidence pertaining to such circulation and shall extend its full cooperation to the concerned authorities in their examination/investigation of the matter.

The Company reserves the right to take such further regulatory, legal and/or other appropriate action as may be considered necessary against any person or entity found to be responsible for creating, publishing or circulating false, misleading, unauthorised or otherwise objectionable information concerning the Company.

Advisory to Shareholders and Investors

Shareholders and investors are advised to exercise due caution and not to rely upon any unauthorised communication, social media post, Telegram message, stock tip, investment recommendation or information relating to the Company unless the same is available through the Company's official channels or has been duly disclosed by the Company to the Stock Exchanges.

The Company reiterates that it remains committed to transparency, fair disclosure, investor protection and strict compliance with all applicable securities laws and regulatory requirements.

The Company shall continue to keep the Stock Exchanges and its stakeholders appropriately informed of all material developments in accordance with applicable law.
